

*Directions to David Fox, Photographer & Celebrations Event
Photography Framingham Studio
(Directions to Brookline office available upon request)*

FROM BOSTON:

1. Take the Mass Turnpike West to Exit 13. After the toll plaza, stay to the right.
2. Take the Route 30 West Exit.
3. Go through 5 traffic lights (Pass McDonald's on the left), to the intersections of Routes 126 and 30. Take a left onto Route 126 South and follow about 3-4 miles into downtown Framingham.
4. At the 3rd light, take a right onto Route 135 West. Follow for about 1/8th of a mile to a set of lights. At the lights, take a right onto Fountain Street.
5. Go over a small railroad bridge. Immediately on the right after the bridge, there is a big ugly gray warehouse building. This is #59 Fountain Street. (Don't worry, this is a cleverly disguised den of artists' studios and local businesses.)
6. Turn right into the lot. Continue until you reach the back parking lot. Park and walk back to the side glass doors on the left, with mailboxes just inside.
7. Go up to the third floor turn right. We are halfway down the hall on the left.
8. If you will need elevator access, you must pre-arrange this with David. He or a staff member will need be scheduled meet you at the door to the building to escort you and assist you with the quaint freight elevator.

FROM WORCESTER:

- 1. Take Route 9 East past Route 495 and past the Mass Turnpike to a set of lights. A big apartment complex will be on your right. A body of water will be on your left. Continue about 1 mile to the next set of lights. CVS will be on the right at the lights. There will be a Stop and Shop on your right after the lights. Go through this light, continuing on Route 9 East for about 1/2 a mile.**
- 2. After crossing railroad tracks, you will see the Edgell Road Exit on your right. Take this exit up the ramp and follow around to a set of lights.**
- 3. At this light, take a right onto Main Street. Follow Main Street to a monument. At the monument, go straight across the road. Here Main Street becomes Union Avenue. Follow about 1/2 a mile to the first set of lights. The Perini Corporation will be on your right.**
- 4. Take a right onto Mount Wayte Street. Go through the next set of lights at Franklin Street and follow Mount Wayte to the very end, approximately 1 mile.**
- 5. At the end of Mount Wayte, take a left onto Fountain Street. Immediately on the left you will see two big warehouse buildings.**
- 6. Take a left between them. No. 59 Fountain Street is the big ugly gray building on the right side. (Don't worry, this is a cleverly disguised den of artists' studios and local businesses.) Continue straight until you reach the back parking lot.**
- 7. Park and walk back to the side glass doors on the left, with mailboxes just inside.**
- 8. Go up to the third floor turn right. We are halfway down the hall on the left.**
- 9. If you will need elevator access, you must pre-arrange this with David. He or a staff member will need be scheduled meet you at the door to the building to escort you and assist you with the quaint freight elevator**
